COMPUTER LANGUAGES AND FRAMEWORKS

Html · CSS · JavaScript · Python

SQL · React · Vite · Tailwind

Django · FastAPI · MySQL · MongoDB

SKILLS

- Operational mastery of a complete IT stack:
    - Back-end: Django, FastAPI, NodeJS
    - Front-end: React, Tailwind
    - DBMS(R): MySQL, MongoDB
- Emerging AI skills: Machine Learning, Deep Learning, and LLM architectures for designing intelligent solutions.
- Familiar with Windows and Linux operating systems.

PERSONALITIES

- Reliable and thorough
- Proactive and responsive
- Solution-oriented
- Team player
- Self-taught and independent

LANGUAGES

Malagasy

French

English

Randrianirina Fanomezantsoa jean Hermann
Full-stack Developer/Apprentice Data scientist

PROFILE

Currently specializing in cognitive sciences (master II), I focus on the interface between cognition and digital technologies. Passionate about applying cognitive models to modern computing systems, I have solid training in programming, experimental methodology, and complex problem-solving. Immediately operational, I am motivated to put my expertise at the service of innovative and ambitious projects.

EXPERIENCES

07/2024-09/2025

FULL-STACK DEVELOPER
Cabinet Fortunatus Andoharanofotsy

- Design and development of artificial intelligence systems using large language models (LLMs) for transcription (TTS, STT) and text generation applications, with a specialization in the field of biblical analysis.

01/2021-05/2021

INTERN AS A WEB DEVELOPER
Decentralized cooperation between the Itasy region and the Nouvelle Region Aquitaine

- My mission was to develop a dynamic website for the University of Itasy in cooperation with the Nouvelle-Aquitaine region, as part of a four-month internship.

EDUCATIONS

2023 - 2024

Master II in Cognitive Science
Antananarivo Polytechnic University (ESPA)

- In-depth study of human knowledge applied to computer science, with a particular focus on data manipulation, artificial intelligence, data mining, and advanced algorithms.

2019 - 2020

BACHELOR'S DEGREE IN TELECOMMUNICATIONS
University of Itasy

- Obtention du diplôme de licence en télécommunication.
- Acquisition of skills in web development and network administration.

2016 - 2017

HIGH SCHOOL DIPLOMA (C series)
Private High School Sacré Coeur Fandriana

HOBBIES

- Sport: jogging and basketball
- Reading
- Manga culture
